

## Brain Teasers for Adults

Ms. Fox hired the brilliant Detective Sneak to investigate a worker in one of her factories. When she asked for a written report, the detective wrote the following letter. He included a secret message within the note. Can you uncover it?

### The Message

Dear Ms. Fox,

I have concluded my investigation of the lackadasical person on your payroll. As I predicted, you have been more than magnanamous. You have continued to pay Mr. Oscar Smith, even when he continually made inferior products and failed to make appearances at work on schedule.

Each of your employes need to know that you value responsible, conscientious workers. When you take the appropriate action, releiving Oscar of his dutties, workers will respect your decision.

Yours truly,  
Detective Sam Sneak

P.S. I trust you will uncover and heed the hidden message so that further contact from me will not be necessary.

Here is Ms. Fox's response. Can you find her hidden message? Hint: The misspelled words are also important here, but she used a different method of hiding her real point.

### The Reply

*Dear Detective Sneak,*

*Thank you for the stupendus work you performed for me. My workers will now expect me to check occassionally on the quality of their work. That is truely a good thing.*

*In hindsite, perhaps I should have dismissed Mr. Smith earlier. The accomodations I had made for him were, as you stated, quite generous.*

*Sincerely,  
Ms. Fox*

*P.S. I received a very interesting mail broshure from your agency today.*
