

## Color Land Game

Skill: Spelling color words

Grade Level: 1-2

Number of players: 2-4

Supplies: Game board, game cards, answer key,  
a different-colored jelly bean (or paper marker) for each player

Preparation:

1. Print and laminate the game board, game cards and answer key.
2. Cut the cards apart and place face down on the table. Place the answer key face down on the table.
3. All players put their markers on START. Players decide who goes first.
4. The first player draws a card and spells the color shown. Another player checks the answer key.
5. If the first player is correct, he moves forward to the first space with the same color. If his is not correct, he remains at START. He puts his color card face down at the bottom of the pile.
6. Players continue in turn drawing cards and spelling color words.
7. Players must draw a blue card to get to END. The first player to land on END wins the round.
