### Pull-Apart Synonyms

Here's a very challenging word scramble game, for those who wish to put their vocabulary and spelling skills to the test.

Instructions: Separate the letters in each line, without rearranging the letters, to spell two synonyms. *Work carefully.* Some letters may appear to belong in one word, but because of their position in the row of letters, they belong in the other word.

Example: G C R L A U T C S H P

Answer: GRASP - CLUTCH

Now it's your turn to pull apart two synonyms in each set of letters. (If you get stuck, use the hints on the next page.)
