

Muddled Music

Sharpen your focus to solve this unique musical crossword. For each clue that has five or fewer letters, you need to replace one letter to spell a musical word. If the clue has six or *more* letters, replace two letters.

Answer words include musical terms, musical instruments, words you need to know when you're reading music, and more.

As you place each word into the crossword, you'll get more and more hints for the clues that are the hardest to solve.
