## Magic Word Squares

Here is magic word square. You can see that the same words are spelled across and down.

D	E	N
E	Y	E
N	E	T

See if you can pull off some magic of your own as you complete 7 more magic word squares!

1. Use the letters E, E, N, N, N, O, O, T, and W to complete this magic square. Use the clues to spell the three words.

1. 2,000 pounds
2. a number less than 2
3. not old

2. Complete this magic square using only the clues.

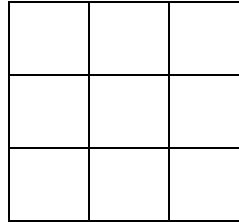

1. bashful
2. a tool used in the garden
3. opposite of *no*

3. Try another one!

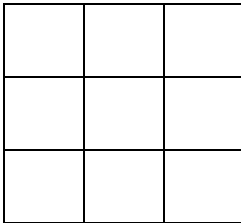

1. to question
2. to look
3. used to unlock a door

4. How quickly can you solve this one?

1. the ocean
2. used for hearing
3. what Noah built

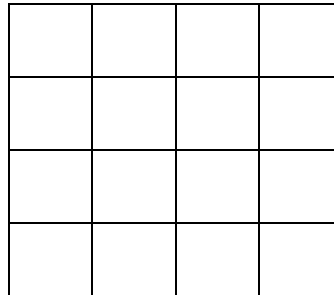

5. For your last 3 x 3 magic square, place these letters without using any clues: O, O, O, N, T, W, W, W, W

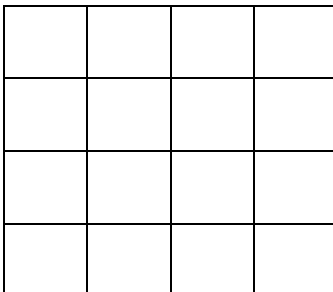

6. Next, try a 4 x 4 magic square.

1. loose material at the beach
2. a part of a surface
3. tidy
4. the day, month and year

7. Here's the last of our word brain teasers in this set. Use the clues to complete this 4 x 4 square:

1. two of these make a quart
2. a mental picture
3. part of the body below the head
4. to receive something from someone else
